Dr. Puneet Pal Singh Gill (Secretary)

Profile

Dr. Puneetpal Singh Gill is born and brought up in a spiritual family of Punjab. This family works at making people making aware of their spiritual side.

Along with this they have taken have projects which are affiliated towards the upliftment of weaker sections of society and especially empowering women. His educational qualification comes from the Dayannd Ayurvedic College, B.A.M.S. from Jalandhar in 2002.

Professional Affiliation

He is affiliated with well known organizations, to name a few are, International Association of Surgeons, Gastroenterologists and Oncologists (IASGO), Vice President of Baba Budha Sahib Kabaddi Club, Ramdass, Chairman of Shaheed Bhagat Singh Society, Ramdass, member of American Society of Reproductive Medicines (ASRM). Presently he is designated as the Secretary of Nirmal Takhat Baba Budha Sahib Charitable Trust since March 2010.

Professional Experience

His degree in medicine give him the insight to establish his own hospital which specials in IVF treatment, The hospital is named St. Jaswant Singh Fertility Services situated in Dakoha, Jalandhar, Punjab. a fact to be humbly mentioned is that in a short span of time the hospital was declared NO.1 in Jalandhar for the services rendered in the year 2010. Under his guidance the fertility services has gone a step ahead and established First Modular IVF Lab in Punjab in collaboration with Aditya Birla Hospital, Pune.

IVF Hospital

His affiliation with the hospital
And the asset of being the
Secretary of trust helped him to
benefit the financially weaker
sections of society by enabling them to get better health
care.

Social Work

To put further light as to the positive use of his main job description, we are now going to share with you the social projects are headed under his guidance.

These are the project under taken the trust, widow home, old age home, there is a widow, education to the under privileged.

Also in the border areas of amritsar they have adopted 24 villages where they encourage the youth to part take in constructive activities such as sports, sewing centers (especially enabling the women towards financial independence)

Spirituality

There are large scale spiritual events that are and have been organized under his guidance.

These events promotes spirituality to every section of society as his vision very strongly shows that Spirituality in the true sense is not limited to a sect or section or nor is it ruled by a particular class. The reflection of his vision can be seen in the spirit of the people who are part of these events. These events are being organized in India and abroad.

These events also promote the true culture of Punjab in sync with times. To summarize he is promoting not only spirituality but also the true positivity of the culture that he is been born with.

Women empowerment

As a child growing up his parents have been a very positive influence in shaping his thought for equal respect and opportunities of growth for women. He has under taken projects in the rural sections to provide professional training such as opening sewing centers for training further more by providing employment to the women who has received the training. They also have a widow home which not only takes care of the women and the child in every aspect but also provides employment to the women so that they can be independent and spiritually guiding them into having stronger faith in them selves so that they pass on the same emotional strength to the child whose up brining is completely mother's responsibility. There fore not only does the women financially independent but also with the along side spiritual growth it enables to her better value system in the society thus making her complete in her self.

Promotion of Sports

He is also in the favor of promoting the rural games because today the youth of Punjab, especially living in the rural areas getting involved in drugs and other anti social activities and the sports are the best medium to connect them to the positive and constructive activities. He has organized Kabaddi Match, Volley Ball Match and all Sports activities in Ramdass. Not just living at thrilled of sports he also take care of the nutrition and training of the sports people.

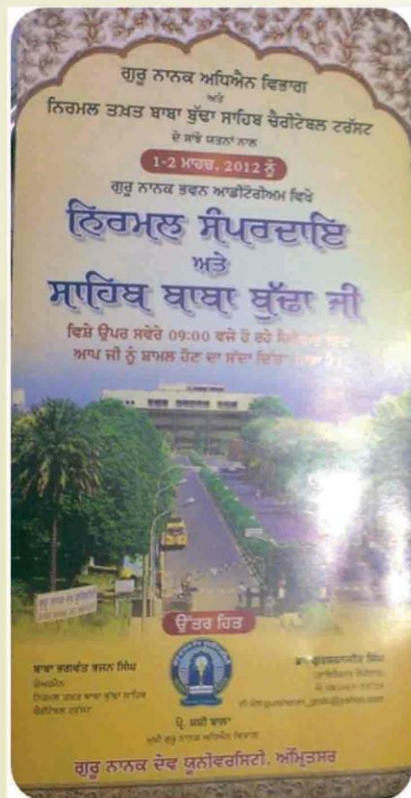

Medical Camps

Medical camps are also organized to take the health services and health awareness to places where people are unable to get the proper medical aid in time.

Seminar

The promotion of true culture and unbiased knowledge is done by organizing seminars in universities and colleges where experts, spiritual speakers come impart forward thinking growth in spirituality there by enabling the youth towards more positive knowledge in their own culture and strong sense of spirituality.

Female Feticide

Very strong cause today is the female feticide which is on the increase especially in the state like Punjab. They are organized educational talks especially rural sector making people aware about the importance of the girl child without which society can not function.

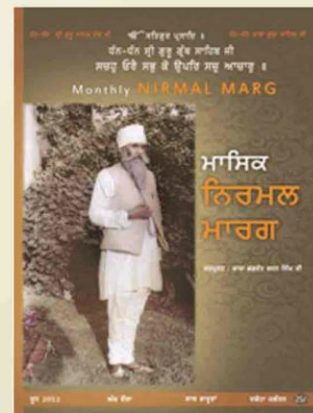

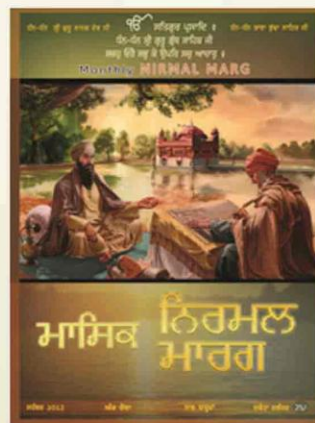

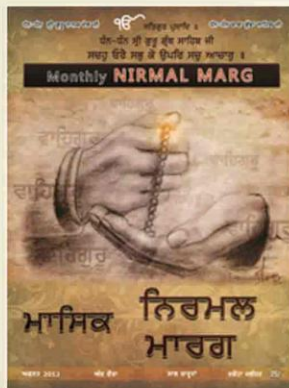

Environmental Awareness

Again he is aware who important it is to preserve the balance of nature. Thereby he promotes exercises such as tree plantation, organic awareness camps so that people come more environment friendly. Infact he has made an example of it by practicing organic farming in his own land. thereby encouraging the farmers to have live example as to how it will be benefit them both financially and environmentally

Publication

His duty is also involved the publication of bilingual monthly magazine which covers the all said topics. This magazine is working like a light house of spiritual awakening, moral values and encouraging discussions on socio-economic issues. Near about 5000 copies are distributed in India and abroad.

Audio-Visual Medium & Theater

Producing Audio-Visual programmes and organizing plays to make aware people about social problems.

As an Individual

He is kind hearted, self motivated, Visionary and very popular in every field. He is a youth Icon and inspiration for every one. Elders blessed him, friends cooperate him to make his dreams and plans true, young ones respects, loves and follows his way of working

Ex. Cabinet Minister Punjab , Shri. Manoranjan Kalia
come to join the samagms.

His Vision for the Future

- * His future project under process is to the set up an IB School in Kapurthala in collaboration with SIS (Singapore International School).
- * Establishment of Medical College in Uttaranchal with collaboration of DAV Educational Society.
- * Establishment of a Nursing College at RAMDASS with collaboration of Punjab Govt.
- * IVF Modular Lab in Gurgaon with collaboration of German Company Merck Serono.
- * Establishment of a large scale Holistic Center in Ramdaas for people from all walks of life.
